

Brookfield's Earth Day Planting Celebration

Sunday, April 21, 2013 @ the Gurski Homestead

1-3 PM

The Brookfield Conservation Commission will be planting trees as an Arbor Day project with a grant from the Forestry Division of the CT Department of Energy & Environmental Protection. Join us for this unique opportunity to learn about tree planting and its benefits to the environment and community. We will also be giving away Blue Spruce seedlings to plant at home.
