

Eriksen Farm Open Space

The 20.2 acres about the Huckleberry Hill Elementary School towards the north end of the property. There are trails throughout the fields and there is also a trail into the wetlands to the north of the property.

There is currently a garden in the field that is tended by the Kiwanis of Danbury with produce being donated to Social Services.

The property is managed by the Brookfield Conservation Commission. To contact us, call: 203-775-7316.

Eriksen Farm Open Space

Eriksen Farm Open Space was purchased from the family members of the late Gertrude and Kenneth Eriksen. Gertrude wished that the property be conserved for the enjoyment of all for passive recreation. Her family and the Brookfield Conservation Commission are helping make that a reality. The home on the property is currently a private residence

Please help protect the Eriksen Farm Protected Open Space .
