Food Employee Training & Record

Pursuant to Public Health Code (PHC) Section 19-13 B42(s)(8)(A) and 19-13 B49(t)(7)(A) the qualified food operator of each food service and catering food service establishment is responsible for ensuring training of food preparation personnel. Training shall include but is not necessarily limited to: *Instruction in proper food temperature control; Food protection; Personal health and cleanliness; Sanitation of the facility, equipment supplies, and utensils; Food allergies*

The Qualified Food Operator of each food service establishment shall maintain written documentation of a training program, and training records of individual employees, and shall make these records available to the local health departments upon request. Training records shall be maintained for the term of employment of all current food workers.

The Qualified Food Operator is responsible for completing and maintaining the employee-training sheet and training record forms or substitute forms with similar content approved by the local health department.
