T-19-08 Paving Addendum #2 February 21, 2019

BID EXTENDED 1 WEEK February 21, 2019 at 11am

- 1. The bid closing has been extended one full week until February 21, 2019 at 11:00am. Bidders may adjust submitted proposal prices at any time up to the closing date and time.**
- 2. The price sheets have been revised to connect the delivery and install price together, separate from the purchase prices, for all three sections of Non-Prev Wage, Prev Wage and Repairs as needed for Class I, II and Driveways**

The revised detail price grid sheets must be used as part of a bidders submitted proposal package, or the same information listed in the same order on the bidders letterhead.
