

MARCH 13th, 2020

FOR IMMEDIATE RELEASE

OFFICE OF THE FIRST SELECTMAN
TOWN OF BROOKFIELD

To: ALL RESIDENTS

From: Stephen C. Dunn, First Selectman

Coronavirus update on town facilities

Based on the latest advice from our local health officials, State and Federal authorities, we will be closing town hall to all visitors. Town employees will be working but the building will be locked. If you need assistance please call the department you need directly and they will guide you and assist you. They will be available to accept documentation directly on a very limited basis but such transactions must be approved through a telephone call first. Additionally, please avail yourself of the online forms available on the town website and you can email or mail most documents to the town. If you need assistance, again please call the department directly.

The Library will be closing at the end of today. Their staff will also be coming in but the building will not be open. They will remain closed until at least March 27th.

Our EMS services will be adding an additional ambulance with EMT's to their schedule for the duration of this event. This is to ensure that we have the ability to meet demand and also allow us to clean the vehicles thoroughly after every run.

Food bank clients will be contacted directly with directions on how to obtain this service.

These restrictions will be in place until at least March 29th.

We will be providing regular updates so continue to monitor the town website for further information.
