

### **7.5.1 INSPECTION FEES – PUMP STATIONS AND FOG INTERCEPTORS AND MANAGEMENT EQUIPMENT**

The Authority shall establish an annual inspection fee to defer the Authority's program costs associated with building sewer pump station inspections and with external FOG interceptor and internal FOG management equipment inspections. Such fees shall be paid by the sewer user whether or not an inspection of the user's pump station or FOG interceptor or management equipment actually occurs. Such inspection fee shall be determined following public hearing as required by Section 7-255 of the General Statutes and shall be based on the anticipated costs to the Authority of determining owner compliance with the provisions of Section 3.2.1 and Section A-1.3.1 of these regulations as to pump stations and with the provisions of Section 3.3 and Sections A-1.4 and A-1.5 of these regulations as to FOG interceptors and FOG management equipment. Such inspection fee shall be levied on an ~~an-semi-~~ annual basis as an addition to the property owner's sewer use charge.
