Covid Vaccination Scams

(U//FOUO) On January 11, 2021, state officials released a warning to residents of potential scams related to COVID-19 vaccines. The public has been instructed to report business related scams to the Department of Consumer Protection by visiting https://ct.gov/DCP

(U//FOUO) The public is also being instructed to report suspicious activities related to vaccine distribution practices, or concerns for public health to local law enforcement officials and/or local public health officials.

(U//FOUO) Any health care worker, or public safety official who learns about vaccination scam information is also asked to call local law enforcement and/or local health officials.
