Veterans Count and Cabela's Launch New Partnership

Hartford, CT – Veterans Count a program of Easterseals Coastal Fairfield County, An Oak Hill affiliate, and Cabela’s, East Hartford, Connecticut announce that they have established a new partnership/initiative that will be focused on connecting Veterans to services and programs that will enhance their quality of life.

The initiative will have several components which will work together to address challenges that Veterans are faced with, such as the need for socialization, support and how to maneuver the VA system. Kim Macomber, Cabela’s Retail Marketing Manager shared, “We are pleased to be launching a bi-weekly, in-store ‘Veterans Canteen’™ and ‘Rally Point CT’™ in late August. It will be one of several to open in Connecticut, and will be modeled after the WWII Hollywood Canteens.” The first canteen will be located in Cabela’s East Hartford store and will offer refreshments and an opportunity for Vets to connect with other Vets. To compliment the social aspects of the canteen, Cabela’s staff will provide training courses in such areas as fly tying, boating safety, archery, camping, grilling, etc. Veterans Count will provide speakers to address questions relating to Veterans benefits, financial assistance and planning, and other relevant topics. For families accompanying the Veterans to the canteen, age appropriate activities will be provided. Karla Szarlan, General Manager, East Hartford Cabela’s noted, “Veterans are very close to my heart. My Dad is a retired Air Force one-star Brigadier General who is now suffering from multiple issues. When Cabela’s was approached by Veterans Count and I heard what they want to accomplish, I found myself asking “how can we help.” This is truly a win-win for both organizations, and especially for the Veterans and their families. To express our appreciation to Veterans with photo ID, Cabela’s is pleased to provide a 5% discount to this elite group of individuals.”

Cabela’s will also be providing assistance at Easterseals Camp Hemlocks, located in Amston, CT. They will be updating the archery range, assisting with the creation of a pellet gun shooting range, and more. A ‘Cabela’s Classroom’ will also be established for use as a teaching center. Training will be provided on a myriad of topics identified by Veterans and military families. The camp which will also be serving as a Veterans Count destination site and engaging both Veterans and non-Veterans in activities such as kayaking, fishing, archery, etc. Steve Dunkle, Senior Director, Veterans Count, Military and Veterans Services of Connecticut, shared, “This is a phenomenal opportunity to provide much needed resources to the Veteran and Military community. We feel extremely fortunate that Cabela’s caught on to our vision and wants to play a major role in making it happen. We can’t thank them enough for their generosity and enthusiasm!”
