NOTICE: The Following Resolution was adopted by the Brookfield Water Pollution Control Authority on April 27, 2022 and is filed with the Brookfield Town Clerk for Public Inspection

THREE CONDOMINIUM SEWER EXTENSION  
RESOLUTION ESTABLISHING  
BENEFIT ASSESSMENT CREDITS  
AND ASSESSMENT RATE ADJUSTMENT

WHEREAS the Water Pollution Control Authority, acting for the Town of Brookfield, has constructed a municipal sewerage system known as the Three Condominium Sewer Extension to serve Cedarbrook Condominiums, Whisconier Village Condominiums and Stony Hill Village Condominiums and certain commercial and industrial properties along Sand Cut and Vale Roads; and

WHEREAS by resolutions adopted on November 18, 2009, January 27, 2010, February 24, 2010 and April 22, 2015, the Authority has levied benefit assessments and supplemental benefit assessments upon the lands and buildings, and upon the owners thereof, which were especially benefited by the construction of said Three Condominium Sewer Extension, all as of record appears; and

WHEREAS, pursuant to the provisions of Paragraph 8 of the resolution adopted on November 18, 2009, the Authority has determined that it is appropriate to reduce the assessment rate currently established at 7.14 percent (7.14%) of equalized assessed value in order to reduce on a proportionate basis the amounts owed by reason of the benefit assessments and supplemental benefit assessments; and

WHEREAS the phrase “equalized assessed value” means the assessed value of the benefitted property at the time of assessment<sup>1</sup> equalized to October 1, 2006, the revaluation date upon which the original benefit assessments were based:

NOW THEREFORE, a credit shall be established for the purpose of reducing and modifying the previously established benefit assessments and supplemental benefit assessments for the Three Condominium Sewer Extension. Such credit shall be based upon an assessment rate of 5.70 percent (5.70%) of each such property's equalized assessed value determined in accordance with the procedures established by resolution adopted on November 18, 2009 as follows:

1) For properties listed on Schedule A attached hereto (*remaining balance properties*), a credit shall be established to reflect the difference between the original assessment of 7.14% of such property's equalized assessed value and an assessment based on 5.70% of such property's equalized assessed value. For each such property, such credit shall be in the amount set forth on Schedule A and such credit shall be applied in the manner described in **Paragraph 3A** of this resolution.

---

<sup>1</sup> For properties originally assessed on November 18, 2009, the benefit assessment was based on the October 1, 2009 Grand List which was based on the October 1, 2006 revaluation. For purposes of this resolution, the October 1, 2009 Grand List assessed valuation of the properties originally assessed equals the October 1, 2006 equalized assessed valuation as used herein.

2. For properties listed on **Schedule B** attached hereto (*paid in full properties*), a credit shall be established to reflect the difference between the original assessment based on 7.14% of such property's equalized assessed value and an assessment based on 5.70% of such property's equalized assessed value. For each such property, such credit shall be in the amount set forth on Schedule B. For each such property, such credit shall be applied in the manner described in **Paragraph 3B** of this resolution.

3A. For **Schedule A** properties, each credit shall be applied to reduce the balance due on the applicable benefit assessment or supplemental benefit assessment by applying such credit *first* to the satisfaction of any outstanding legal fees for accounts in collection, *second* to the satisfaction of any delinquency interest and lien fees due with respect to such benefit assessment or supplemental benefit assessment, *third* to the oldest outstanding installments of principal and interest that are delinquent and *fourth* to the reduction of non-delinquent principal and interest (bond interest) due as of the date that such credit is applied, all as contemplated by the provisions of Section 7-254 and Section 12-146 of the Connecticut General Statutes.

If any portion of such credit remains unutilized after such application, such unused portion of such credit shall be carried on the records of the Authority until October 1, 2029 and shall serve to reduce any further supplemental benefit assessment levied against said property prior to October 1, 2029. Said credit shall terminate by lapse of time if not utilized by October 1, 2020.

3B. For **Schedule B** properties, each credit established by this resolution shall be applied as follows:

Such credit shall be carried on the records of the Authority until October 1, 2029 and shall serve to reduce any further supplemental benefit assessment levied against said property prior to October 1, 2029. Said credit shall terminate by lapse of time if not utilized by October 1, 2029.

4. For purposes of determining Three Condominium Sewer Extension assessments and supplemental assessments subsequent to June 1, 2021 pursuant to Paragraph 6 of the Resolution of November 18, 2009, the Authority shall use the assessment rate of 5.70% of the property's equalized assessed value as of October 1, 2006 rather than the 7.14% assessment rate specified in Paragraph 6 of said Resolution.

5. With respect to the installment payment plan for the Three Condominium Sewer Project, staff is hereby authorized to write off any final balances (assessment plus supplemental assessments) of less than \$10.00 per property.

6. Except as modified herein, the provisions of the Resolution of November 18, 2009 and the Resolution of June 20, 2013 (payment plan) shall remain applicable to future assessments and supplemental benefit assessments levied with respect to the Three Condominium Sewer Project.

Whereas, the properties hereafter described are presently served by the Three Condominium Sewer Extension and are subject to the levy of a supplemental benefit assessment pursuant to Paragraph 6 of the resolution adopted by the Authority on November 18, 2009 as modified in accordance with Paragraph 4 of a resolution entitled Resolution Proposing Benefit Assessment Credits and Assessment Rate Adjustment considered and heretofore adopted by the Authority on April 27, 2022:

NOW, THEREFORE, BE IT RESOLVED THAT:

1) The properties hereafter described are found to be especially benefited by the construction of the Three Condominium Sewer Extension.

2) The Brookfield Water Pollution Control Authority levies a supplemental benefit assessment in the following amounts and against the following properties as they are found to have been improved subsequent to October 1, 2009 so as to increase their valuation for tax purposes.

<u>Property Address</u>	<u>Property Owner</u>	<u>Supplemental Assessment</u>
120 Park Ridge Road	Branson Ultrasonics Corporation	\$548,078.81
77 Vale Road	T.D. and Sons, Inc.	\$ 10,944.91
14 West Whisconier Road	Giardina, Erick J. & Nicole M.	\$ 13,108.19

3) Said supplemental benefit assessments are equal to 5.70 percent (5.70%) of each such property's "equalized" assessed value as of October 1, 2006 based on the assessed valuation on the October 1, 2009 Grand List. (See footnote 7, Resolution of November 18, 2009.)

4) Such supplemental benefit assessments shall be due and payable on **June 1, 2022**, provided however, as follows:

At the option of the property owner, such supplemental benefit assessment, together with interest at the rate of two percent (2%) per annum *compounded annually and payable in arrears*, may be paid in nine (9) equal annual installments of principal and interest commencing **June 1, 2022**, and continuing each year thereafter until June 1, 2030, with each payment to be applied first to accrued interest and then to principal; provided however, that if any such installment remains unpaid for thirty (30) days after the same shall become due and payable, then at the option of the Authority, the entire unpaid balance of such supplemental benefit assessment together with all unpaid interest, shall become

immediately due and payable. The Authority shall have all of the rights provided by Section 7-254 of the Connecticut General Statutes, as amended, with respect to such delinquent amounts.

The property owner subject to such supplemental benefit assessment may prepay any or all installments for which such property owner is liable at any time prior to the due date thereof and no interest on any such prepaid installment shall be charged beyond the date of such payment.

4) The Executive Administrator of the Authority is directed to cause notice of the levy of such supplemental benefit assessments *and of the due date for payment of such supplemental benefit assessment* to be filed in the Office of the Brookfield Town Clerk on **April 29, 2022** and to be published twice in a newspaper having circulation in the Town of Brookfield, the first such publication to be not later than **April 30, 2022**, and the second such publication to be not later than **May 13, 2022**, and to mail a copy of such notice, and of such supplemental benefit assessment, to the affected property owner at the owner's address as shown on the last completed grand list, or to any such subsequent address of which the Authority may have knowledge, not later than **April 29, 2022**.

THREE CONDOMINIUM SEWER EXTENSION  
March 23, 2022

RESOLUTION PROPOSING  
BENEFIT ASSESSMENT CREDITS  
AND ASSESSMENT RATE ADJUSTMENT

WHEREAS the Water Pollution Control Authority, acting for the Town of Brookfield, has constructed a municipal sewerage system known as the Three Condominium Sewer Extension to serve Cedarbrook Condominiums, Whisconier Village Condominiums and Stony Hill Village Condominiums and certain commercial and industrial properties along Sand Cut and Vale Roads; and

WHEREAS by resolutions adopted on November 18, 2009, January 27, 2010, February 24, 2010 and ***April 22, 2015***, the Authority has levied benefit assessments and supplemental benefit assessments upon the lands and buildings, and upon the owners thereof, which were especially benefited by the construction of said Three Condominium Sewer Extension, all as of record appears; and

WHEREAS, pursuant to the provisions of Paragraph 8 of the resolution adopted on November 18, 2009, the Authority has determined that it is appropriate to reduce the assessment rate currently established at 7.14 percent (7.14%) of equalized assessed value in order to reduce on a proportionate basis the amounts owed by reason of the benefit assessments and supplemental benefit assessments; and

WHEREAS the phrase “equalized assessed value” means the assessed value of the benefitted property at the time of assessment<sup>2</sup> equalized to October 1, 2006, the revaluation date upon which the original benefit assessments were based:

NOW THEREFORE, the Brookfield Water Pollution Control Authority proposes that for each property heretofore subject to a benefit assessment or a supplemental benefit assessment, a credit shall be established for the purpose of reducing and modifying the previously established benefit assessments and supplemental benefit assessments for the Three Condominium Sewer Extension. The Authority proposes that the credit be established based upon an assessment rate of 5.70 percent (5.70%) of each such property's equalized assessed value determined in accordance with the procedures established by resolution adopted on November 18, 2009 as follows:

1) For properties listed on Schedule A attached hereto (***remaining balance properties***), a credit shall be established to reflect the difference between the original assessment of 7.14% of such property's equalized assessed value and an assessment based on 5.70% of such property's equalized assessed value. For each such property, the Authority proposes that such credit shall be in the amount set forth on Schedule A and proposes that such credit shall be applied in the manner described in **Paragraph 3A** of this resolution.

2. For properties listed on **Schedule B** attached hereto (***paid in full properties***), the Authority proposes that a credit be established to reflect the difference between the original assessment based on 7.14% of such property's equalized assessed value and an assessment based

---

<sup>2</sup> For properties originally assessed on November 18, 2009, the benefit assessment was based on the October 1, 2009 Grand List which was based on the October 1, 2006 revaluation. For purposes of this resolution, the October 1, 2009 Grand List assessed valuation of the properties originally assessed equals the October 1, 2006 equalized assessed valuation as used herein.

on 5.70% of such property's equalized assessed value. For each such property, such credit shall be in the amount set forth on Schedule B. For each such property, the Authority proposes that such credit shall be applied in the manner described in **Paragraph 3B** of this resolution.

3A. For **Schedule A** properties, the Authority proposes that each credit shall be applied to reduce the balance due on the applicable benefit assessment or supplemental benefit assessment by applying such credit *first* to the satisfaction of any outstanding legal fees for accounts in collection, *second* to the satisfaction of any delinquency interest and lien fees due with respect to such benefit assessment or supplemental benefit assessment, *third* to the oldest outstanding installments of principal and interest that are delinquent and *fourth* to the reduction of non-delinquent principal and interest (bond interest) due as of the date that such credit is applied, all as contemplated by the provisions of Section 7-254 and Section 12-146 of the Connecticut General Statutes.

If any portion of such credit remains unutilized after such application, such unused portion of such credit shall be carried on the records of the Authority until October 1, 2029 and shall serve to reduce any further supplemental benefit assessment levied against said property prior to October 1, 2029. Said credit shall terminate by lapse of time if not utilized by October 1, 2020.

3B. For **Schedule B** properties the Authority proposes that each credit established by this resolution shall be applied as follows:

Such credit shall be carried on the records of the Authority until October 1, 2029 and shall serve to reduce any further supplemental benefit assessment levied against said property prior to October 1, 2029. Said credit shall terminate by lapse of time if not utilized by October 1, 2029.

4. The Authority proposes that for purposes of determining Three Condominium Sewer Extension assessments and supplemental assessments subsequent to June 1, 2021 pursuant to Paragraph 6 of the Resolution of November 18, 2009, the Authority shall use the assessment rate of 5.70% of the property's equalized assessed value as of October 1, 2006 rather than the 7.14% assessment rate specified in Paragraph 6 of said Resolution.

5. The Authority proposes that with respect to the installment payment plan for the Three Condominium Sewer Project, staff be authorized to write off any final balances (assessment plus supplemental assessments) of less than \$10.00 per property.

6. The Authority proposes that except as modified as proposed herein, the provisions of the Resolution of November 18, 2009 **and the Resolution of June 20, 2013 (payment plan)** shall remain applicable to future assessments and supplemental benefit assessments levied with respect to the Three Condominium Sewer Project.

7. A public hearing shall be held by the Water Pollution Control Authority on Wednesday, April 27, 2022 at **7:00 p.m.** at a place and in a manner to be determined by the Chairman at which the owners of all properties listed on **Schedule A** and **Schedule B** shall have an opportunity to be heard concerning the proposed credits to be established and applied. The Administrator of the Authority is directed cause notice of the time, place, and purpose of said hearing to be published in a newspaper having circulation in the Town of Brookfield, not later than **April 13, 2022** and to mail a copy of such notice to the owner of each property set forth on Schedule A and Schedule B at the owners address as shown on the last completed Grand List, or any such subsequent address of which the Authority may have knowledge.
